Excellent choice for family holidays!

Review of Hard Rock Hotel Maldives

Excellent kids club, activities and bar services! We enjoyed the best cocktails of Ishu and Inul! Restaurants have many choices for grown-ups and kids! Water villas are beautiful and very comfortable! This was our second time and we will back soon! Excellent choice for family holidays!

Amazing Family Stay – A Different Side of the Maldives!

Review of Hard Rock Hotel Maldives

We stayed at this resort as a family with our child, and I must say, this was far from our first trip to the Maldives. However, this experience felt quite different from the usual Maldivian getaway—at times, it almost felt like we were on the Caribbean islands! The large distances within the resort and the high number of guests made it stand out from the typical Maldivian experience.

Always perfect
