

# The Westin Maldives Miriandhoo Resort

The Westin Maldives is an immersive playground where by day, fitness, wellness and culinary experiences rejuvenate the soul and by night, a deep heavenly sleep beckons. Nestled on a beautiful coral island in the Baa Atoll, a designated UNESCO Biosphere Reserve site, the resort features 69 villas and suites, 40 on island and 29 overwater.

## Feel Well

The resort's design takes inspiration from the ocean with a visionary approach towards environmental sustainability. Our spacious villas and suites are welcoming, light-filled spaces with ocean-views and expansive decks.

## Sleep Well

At Westin Hotels & Resorts, we have been ensuring our guests experience a night of restorative sleep since launching The Westin Heavenly® Bed almost 20 years ago.

Nothing restores your mind and body like restful sleep. The Westin Heavenly® Bed is uniquely designed with plush, pillow-top construction for premium comfort and support.

All villas and suites are equipped with Westin brand's signature Heavenly® Bed for deep, restful sleep. Featured by a Heavenly® Bath, our villas provide other conveniences such as a High-Speed Internet Access, tea and coffee making facilities, work desk and in-room safe.

## Move Well

---

Energize with our 24-hour **WestinWORKOUT**® Fitness Studio featuring weight machines, free weights, cardio equipment that faces personal flatscreen televisions. An outdoor pool and a multifunctional recreation ground complete the fitness facilities.

The idyllic resort also features Westin's signature branded spa concept, the **Heavenly Spa by Westin**™. The design of the Spa area exudes an intimate and serene ambience that allows guests to reflect on their destination. The Spa also integrates the latest innovations in beauty and features a spacious treatment suite for two with a Jacuzzi and panoramic ocean view.

## Eat Well

---

We empower our guests to maintain their healthy habits away from home with wholesome, nourishing dishes for kids and adults alike.

The dining options include three restaurants and a rooftop bar. The all-day dining experience at **Island Kitchen** stays true to the Westin brand's Eat Well pillar through a thoughtful menu combining Chinese, Indian and Maldivian fare. **The Pearl** is the resort's specialty restaurant and is the ideal venue to indulge in exquisite Japanese cuisine in an elegant setting with exceptional ocean views. At **Hawker**, guests can sample authentic Asian food in a casual and buzzing restaurant and bar with a live kitchen. The **Sunset Bar** is a relaxed lounge serving tapas and imaginative cocktails created by talented mixologists.

At our resort, 24-hour in-room dining options are also available.

## Perfectly Located

---

The island is accessible by a scenic 30-minute seaplane flight from the Velana International Airport or a 20-minute domestic flight to the airport on the nearby Dharavandhoo Island followed by a further 15-minute speedboat ride.

*(Transfer timings are subject to weather & sea conditions)*

## Play Well

---

Let us take care of you with services like water sport activities & excursions, private dinners, renewal of vows or boutique shop. **Westin Family Kids Club**® comes with a pool and offers fun activities and programs for young guests. A divers' paradise, Baa Atoll is known for its plethora of coral reefs – over 250 species' – and is home to one of the largest concentrations of manta rays and whale sharks in the world. The iconic Hanifaru Bay is only 18km from the resort – observing the manta rays' feeding frenzy whilst snorkelling there is an enchanting and unforgettable experience. Whilst guests regularly spot energetic and acrobatic spinner dolphins, particularly during cruises, there are also around 1,200 species of reef and reef-associated multi-coloured fish in the region alone.
