GOURMET

Surreal settings. Flavours out of this world. This is dining at Niyama, with choice every day, every moment.

Epicure - The heart of each island, and an almost overwhelming way to start the day. Think a wall of loose-leaf teas, mimosas on ice, hand-churned nut butters to accompany your still-warm pastries, and crepes made to order. Dinners then excite with different themes each night, barbecue and beyond.

Blu - is a vibrant, family-friendly restaurant located on Play Island's white sands, offering stunning ocean views. Its Mediterranean-inspired menu features wood-fired pizzas and fresh cuisine, ideal for relaxed lunches or poolside snacks. With a laid-back atmosphere and a dedicated kids' area, Blu is the perfect spot to enjoy island days.

Edge- Fine Dining Over Water
Accessible only by boat, Edge offers an exclusive overwater dining experience surrounded by the Indian Ocean. This signature restaurant blends elegant cuisine with panoramic views, serving up fresh seafood and refined flavours in a sophisticated, romantic setting. Ideal for intimate dinners and special occasions, Edge is where culinary artistry meets island luxury.

Nest - And now to the jungle alive with birds and flying foxes as you dine on the exquisite of Asia. Amidst the banyan vines: fiery teppanyaki. In the treetops: a medley of North and Southeast Asian dishes, as spicy as you dare, accompanied by free-spirited cocktails.

Tribal
Deep in a clearing in the jungle, the sizzle of the braai beckons, as well as the promise of safari. On the menu are kudu and springbok, dressed with the spices of Africa as well as South America, every course tailored to your palate.

Dune- The heart of each island, and an almost overwhelming way to start the day. Think a wall of loose-leaf teas, mimosas on ice, hand-churned nut butters to accompany your still-warm pastries, and crepes made to order. Dinners then excite with different themes each night, barbecue and beyond.

The Deli

As cosmopolitan as it gets, with sandwiches and poke bowls made to order, freshly baked cookies, a selection of sorbets, protein shakes and iced coffee.

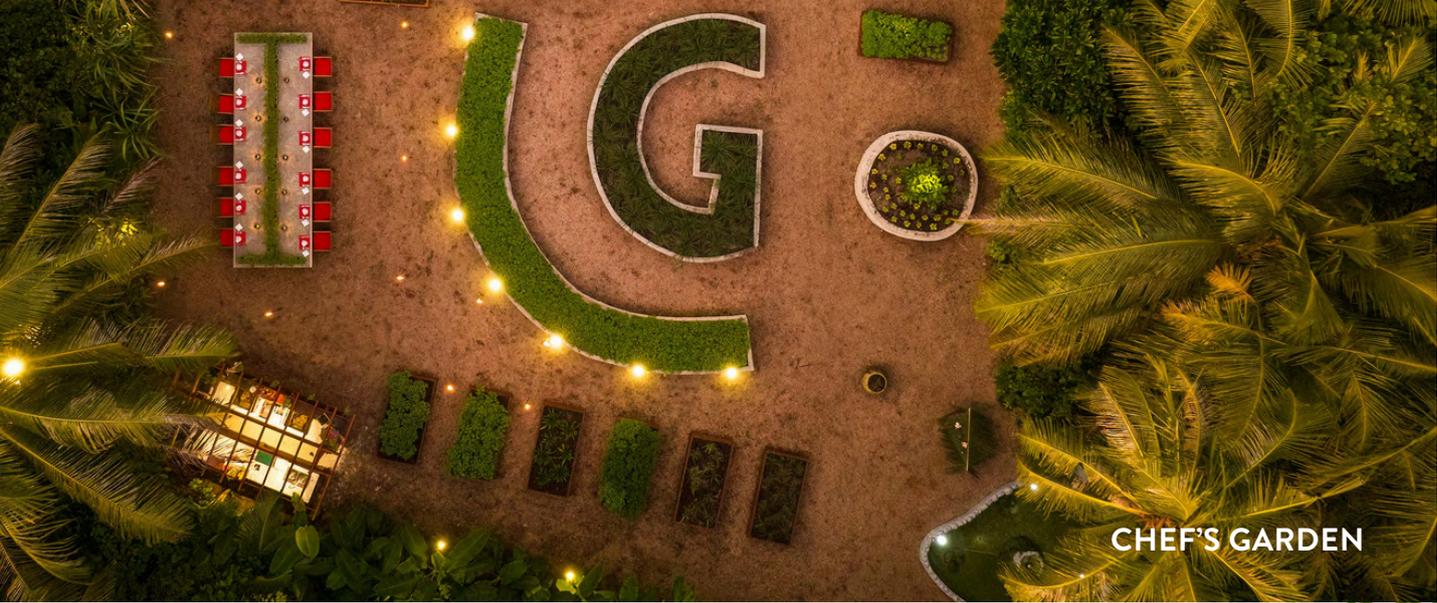

Fahrenheit

Rooftop views of the sunset, a chilled ambience, DJ beats and a drinks list as expansive as the horizon.

Surf Shack

Located near Vodi surf point, is Niyama’s laid back beach bar. Ideal for post-surf or sunset visits, it offers rum cocktails, reggae music, and a laid-back atmosphere. With driftwood décor and bean bags seating, it’s the perfect spot for free spirits and wave enthusiasts.
