# DIVE HOTEL

FULHADHOO ISLAND, BAA ATOLL

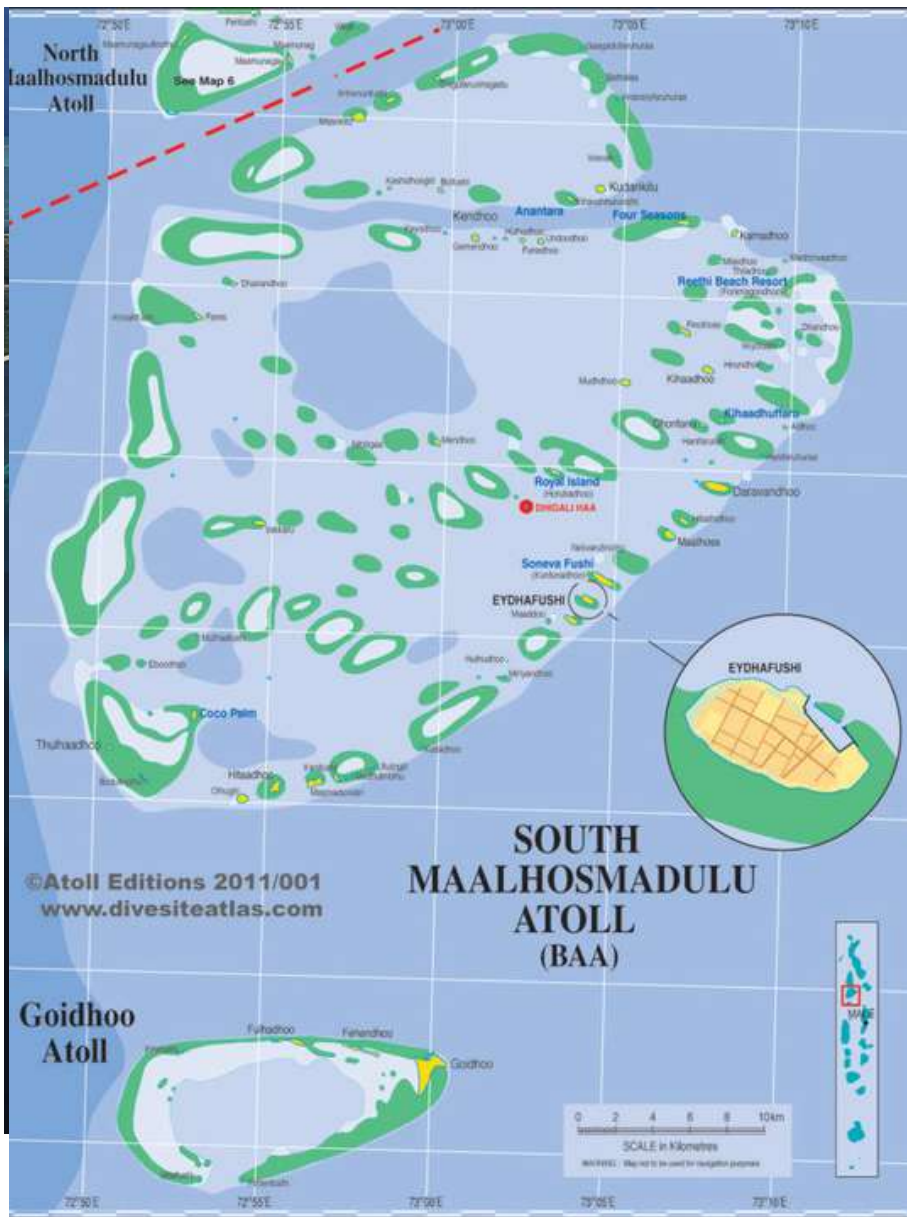

**THE PERFECT PREMIUM HOTEL**  
*for Divers, Adventure & Educational Travelers*

## FULHADHOO ISLAND, BAA ATOLL

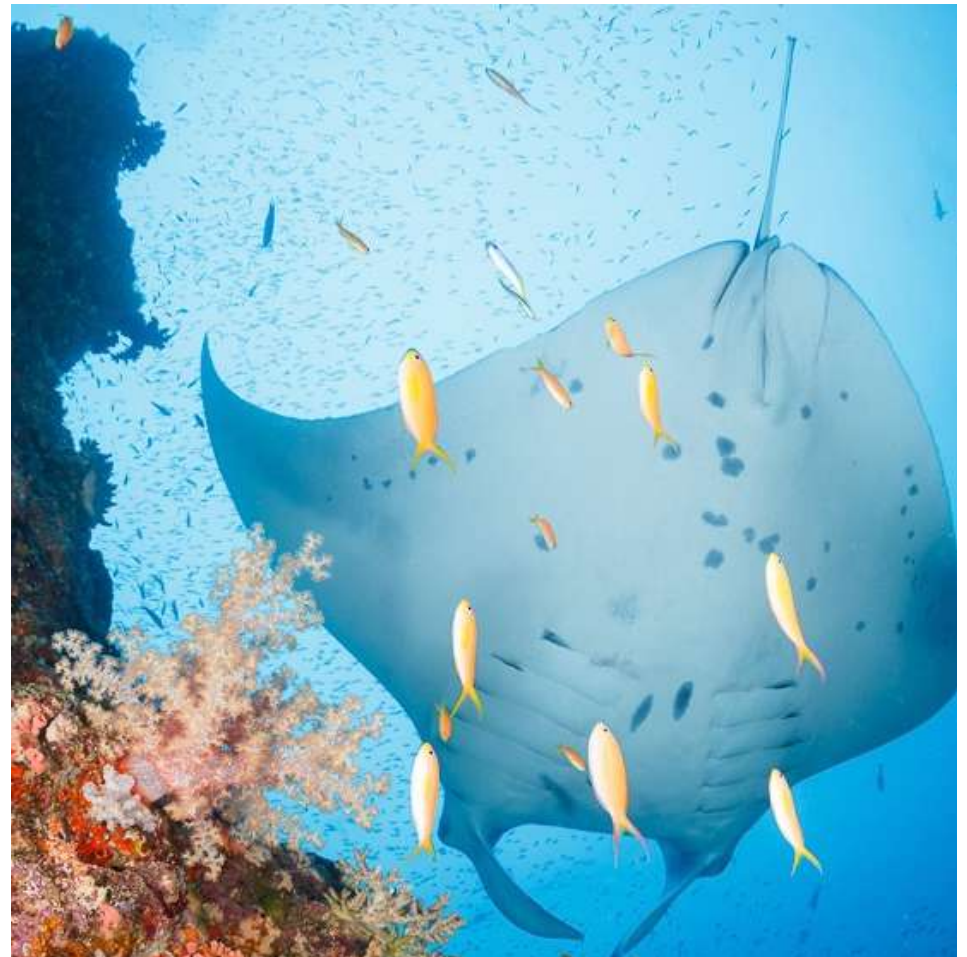

Fullhadhoo Island sits around 100 km North-West of Male', showcasing perfect white sandy beaches, avenues of swaying palm trees and magnificent turquoise blue sea. The Island is surrounded by a large house-reef where Manta Rays, Dolphin, Sharks, and Turtles, as well as bioluminescent planktons can be observed all around year. While the famous Coral Garden displaying vibrant corals and hundreds of colorful tropical fish that will take your breath away, our beach along with six adjacent sandbanks is ranked in the top 25 beaches in the world.

The island is situated within Baa Atoll, declared a UNESCO Biosphere Reserve, known for its rare biodiversity in its coral reefs and marine life. Baa Atoll is also one of the most unique atolls in the world where the world famous Hanifaru Bay lies, a protected marine area that is a great spot to see Manta Rays in huge numbers during the season. The atoll also offers plenty of other dive experiences with beautiful reefs marked by swim-throughs, caves and overhangs, and current-swept thilas packed with abundant marine life.
