DIVING

Beginners Dive (Discover Scuba Diving)

\$ 168

Ages 10+

Some people say you cannot visit the Maldives without witnessing the beauty that lies underneath the surface. This one-day program is especially designed for beginners that have no experience in diving.

Completing this program also allows you to continue for the full 'PADI Open Water Diver' course in just a minimum of 2 extra days. See "PADI Courses" for more information.

- This program can be done every day in the morning 9:00 or afternoon 14:30 at the Dive & Water Sports Center and will last around 2 hours. Make sure to sign up at least one day in advance to ensure availability and to get all the paperwork in order
- A medical questionnaire is needed before participating. If you have any medical conditions, please come by the dive center beforehand. Make sure you have at least 24 hours no flight after your last dive.

All prices are in US Dollars and are subject to 10% service charge and 16% GST

Diving for Kids

Ages 8 - 14

Children from the age of 8 and up can already join and take their first breaths underwater with our special 'Bubblemaker' program.

Children from aged 10 and up can join the full 'Discover Scuba Diving' program (see 'Beginners Dive' for more information) or even get their first diving license with the 'PADI Junior Open Water Diver' course.

Bubblemaker

\$ 100

Ages 8-9

This introduction program is specially created for even the youngest of divers from ages 8 to 9 years old. We go onto the edge of island's very own house reef and have a fun diving experience for one hour to a maximum depth of 2 meters.

- This program can be done every day, just make sure to reserve at least one day in advance to ensure availability and to get all the paperwork in order.
- A medical questionnaire is needed before participating. If you have any medical conditions, please come by the Dive & Water Sports Center beforehand. Make sure you have at least 24 hours no flight after your last dive.

PADI Advanced Open Water

\$ 721

Ages 12+

Are you already a certified diver and want to improve your skills or get a broader knowledge of diving? We offer a big variety of different Adventure Dives like; 'Night Diving' or 'Drift Diving'. For this course you just need to complete five Adventure Dives which can be done in just 2-3 days.

- The 'Navigation' and 'Deep' Adventure Dives are mandatory, ask your instructor which other Adventure Dives are recommended. Some Adventure Dives are limited for young divers.
- Minimal requirements are: PADI (Jr.) Open Water Diver or equivalent.

PADI Specialties

Variable

Ages 10+ (depending on the specialty)

Euro-Divers Havodda offers a big variety of different PADI Specialties for all levels of certified divers. Would you like to take your underwater pictures to the next level by doing the 'Digital Underwater Photographer (DUP)' specialty or maybe you would like to be more confident diving in the infamous Maldivian currents by completing a 'Drift Diver' specialty? We will be able to help you improve your diving skills.

- Specialties include: Enriched Air (Nitrox), Drift, Wreck, Deep, Navigation, Boat, Night, Underwater Photography (DUP), Peak Performance Buoyancy (PPB), Fish Identification, Project Aware, Naturalist, Shark Conservation, Equipment Specialist, Search & Recovery, Diver Propulsion Vehicle (DPV) Emergency Oxygen Provider and Emergency First Response (EFR).

PADI Rescue Diver

Come by the dive center for more information

Ages 12+

This course is considered to be one of the most fun and hands on courses PADI has to offer. You learn not only to take better care of yourself, but also the people around you. This program will take up to 2-3 days to complete

- Minimum requirements: PADI (Jr.) Advanced Diver certified or equivalent and A valid Emergency First Response (EFR) Primary and Secondary Care training or equivalent.
- The EFR training can be conducted at the Dive & Water Sports Center as well.

PADI Divemaster (PADI PRO)

Come by the dive center for more information

Ages 18+

Starting a Divemaster course is the first step in becoming a PADI Professional. You will not only improve your knowledge and skills in diving, but you can even assist PADI instructors in conducting several courses. The minimum duration of a Divemaster course can vary depending on the type of PADI Professional you would like to become.

Minimal requirements are:

- 40 logged dives at the start and 60 logged dives to complete the course.
- A valid Emergency First Response (EFR) Primary and Secondary Care training (or equivalent). The EFR certification can be conducted at the Dive & Water Sports Center as well.
- A medical statement from a physician, not older than 12 months.

Guided Fun Dives

For all certified divers, who can't wait to go into the water we have a big variety of dive sites and daily guided tours. We offer single (boat) dives, double boat dives, full day trips and night dives. We offer both 'easy dives' for beginners and 'medium dives' for more advanced divers. It's also possible to do an independent house reef dive once you completed the orientation dive.

- All divers need to be certified (also see: PADI Courses).
- Make sure to sign up at least one day in advance at the Dive & Water Sports Center to ensure availability and to get all the paperwork in order.
- For more information you can visit the Dive & Water Sports Center every day from 08:30 till 12:30 and from 14:00 till 18:00. Or dial '8875' straight from your room.

Complimentary Welcome Dive

Free

Euro-Divers Havodda would like to offer a complimentary welcome dive in the lagoon for anyone who hasn't dived in a while, is not familiar with diving in the Maldives or just wants to have the right configuration before going on the boat. The dive is done in the lagoon and will consist of a few exercises and maybe adjusting some weights.

After completing the exercises in the lagoon, you can also go straight away for a dive on the house reef. The price for the house reef dive depends on the amount of dive done in total at the end and the equipment that is used.

House Reef Dive

1 - 4 dives	\$ 57	Per dive
5 dive package	\$ 264	
10 dive package	\$ 484	
15 dive package	\$ 682	
Dives after 15 dive package	\$ 36	Per dive

Havodda has an amazing house reef with a very big diversity of marine life especially when the current is right. We have some of the healthiest hard corals around which attract a lot of life around them. Once you completed the orientation dive you could join the instructor for a house reef dive and afterwards you could even do an independent dive as well.

Euro-Divers Repeater Discount

Every diver that has dived before with one of the many Euro-Divers Worldwide dive centers has the right to a 15% repeater discount on all dives and courses. Just come by the Dive & Water Sports center to show your Euro-Divers stamp or other validation.

If you are not a repeater yet, don't forget to come by the Dive & Water Sports center one day before departure and get your own Euro-Divers stamp.
