

An aerial photograph of the Kurumba Maldives resort. The image shows a lush tropical island with a dense canopy of palm trees and other greenery. Several buildings with reddish-brown tiled roofs are scattered throughout the island. A white sandy beach curves along the edge of the island, meeting the clear, turquoise water of the lagoon. A long, narrow pier extends into the water, ending in a circular platform with a wooden pergola structure. In the distance, a long, dark breakwater or reef line stretches across the water. The sky is a clear, pale blue, and the overall scene is bright and sunny.
