Amenities

The Maldives

The Maldives, an enchanting tropical paradise, is an island nation situated in the Indian Ocean southwest of Sri Lanka and India. Known for its breathtaking turquoise waters, pristine white sandy beaches, and abundant marine life, the Maldives is a sought-after destination for travelers seeking relaxation and adventure.

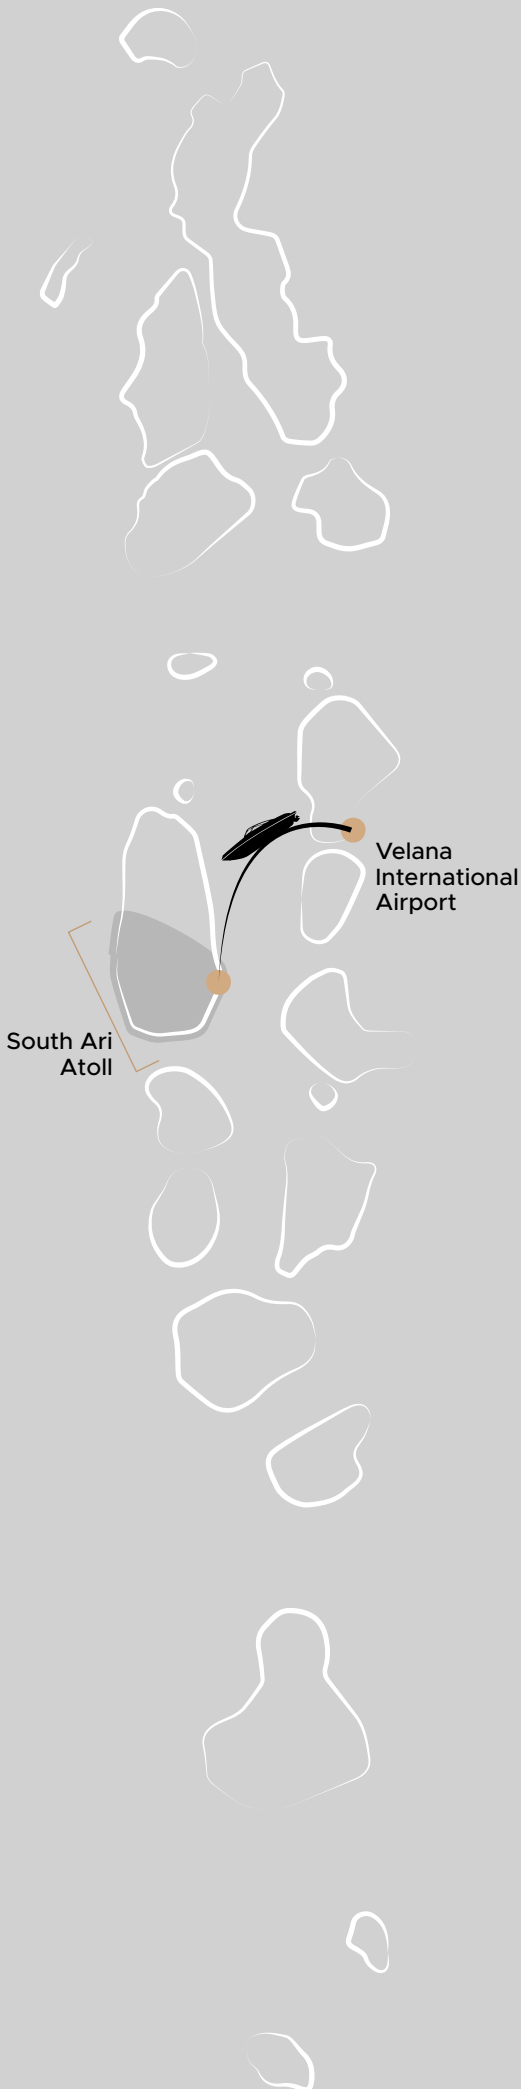

Comprising over 1,000 coral islands grouped into 26 atolls, it offers a unique blend of luxury resorts, water villas, and vibrant underwater ecosystems, making it a haven for snorkeling and scuba diving enthusiasts. In addition, with an increasing number of guesthouses and budget-friendly accommodations popping up on various islands, the Maldives is now welcoming a more diverse range of travelers.

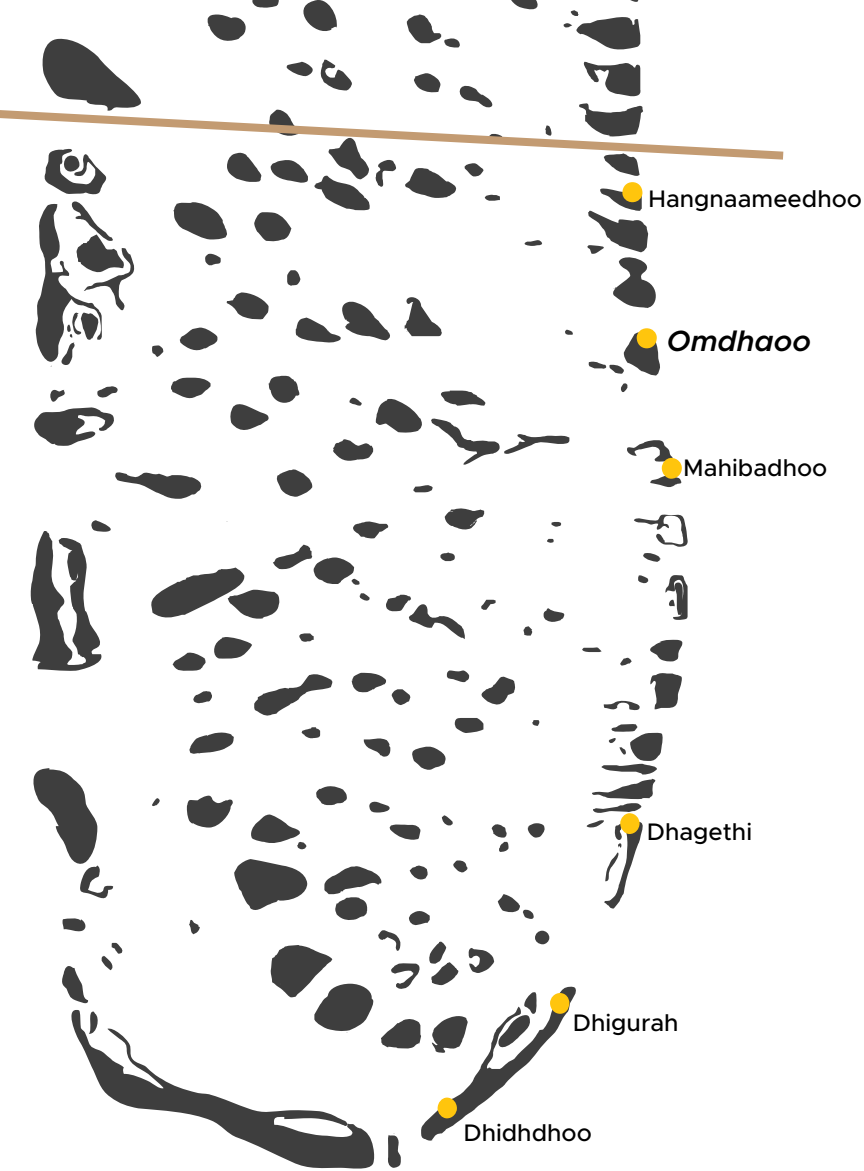

Local tourism offers a unique opportunity to experience authentic Maldivian culture, interact with friendly locals, and explore lesser-known islands that are off the beaten path.

The Maldives has a tropical monsoon climate, characterized by warm temperatures throughout the year. The country experiences two distinct seasons - a dry season from December to April and a wet season from May to November, with occasional heavy rainfall and strong winds during the latter period.

Transportation

Embark on a seamless journey from **Velana International Airport** to the captivating island of **Omadhoo** via Speedboat, which typically takes 1.5 to 2 hours, depending on weather conditions. Speed boats are well equipped to ensure your safety and comfort through the voyage.

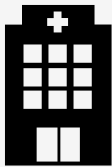

Island

South Ari Atoll, Omadhoo, is a picturesque island in the Maldives, known for its serene and untouched beauty. With pristine sandy beaches and crystal-clear turquoise waters, it offers a perfect retreat for travelers seeking a tranquil escape. Omadhoo showcases the local way of life, and visitors can immerse themselves in the Maldivian culture, indulge in delicious traditional cuisine, and experience the warm hospitality of the friendly islanders.

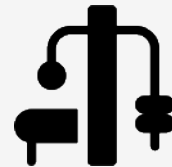

Additionally, the atoll's remarkable marine biodiversity and thriving coral reefs make it an excellent destination for snorkeling and diving enthusiasts, providing a memorable encounter with marine life in its natural habitat.

Local attractions

Hitha Maldives, beach front guesthouse is two minutes walk away from the bikini beach; designated zones respect local customs and allow visitors to enjoy the stunning beaches and wear swimwear while maintaining cultural sensitivity.

In the evening at its pristine beaches, the enchanting spectacle of stingrays gracefully glide through the crystal-clear shallow waters. At night time near the island jetty, unveils a captivating dance of nature as gentle nurse sharks emerge from the depths.

In Omadhoo, these local attractions paint a vivid portrait of the island's unique charm, where moments of tranquility and excitement harmonize, leaving an indelible imprint on the hearts of all the travellers.
