

Dearest Valued Guests and Partners,

As the holy month of Ramadan begins on March 1, 2025, we kindly ask all our guests and partners to observe the following guidelines in respect of this sacred time.

Ramadan is an important month in the Islamic calendar, observed by Muslims worldwide through fasting, prayer, and reflection. During this period, Muslims do not eat, drink, or smoke from dawn to dusk. As per local laws, non-fasting and non-Muslim guests are requested to avoid eating, drinking, smoking, or chewing gum in public areas during fasting hours.

To accommodate our guests while respecting Ramadan traditions, our food and beverage services will operate as follows:
