QUOC

ELEVATING ABOVE THE NOISE

At Regent™, the soul of each destination shines, reflected in distinctive modernity and a rich legacy. Majestic yet intimate, it is the beauty of contrast that is woven through the Regent™ experience, where the serene and the sensational exist in perfect harmony to inspire every sense.

More than a collection of places on your map of must-see destinations, consider our hotels a gateway to inspiring spaces found high above an urban streetscape, alongside thousands of years of culture, or at the feet of softly slapping waves.

RARE AND WITHIN REACH

The pearlescent waters of the archipelago beckon to be explored.

Phu Quoc is a canvas of astonishing diversity. The way of life lends to a relaxing island feel, setting Phu Quoc apart from the mainland. Pepper and pearls have been farmed here for generations and the collage of present-day Vietnam takes on its own form in a smaller scale on this precious island.

Cocooned on the white sands of Long Beach, the resort offers perfect vistas onto the sunset - best viewed from your private infinity pool, one of the rooftop pools, the beach club or a Personal Haven fashioned on the beach just for you and your loved ones.

REGENT PHU QUOC

An invitation to life's most scenic moments and experiences that beguile even the most seasoned of travelers.

Framed against spellbinding sunsets, Regent™ Phu Quoc envelops you in comfort. Feel uplifted as floating candles flicker against the deepening night sky. This is where the everyday noise melts away and your spirit reawakens.
