dubrovnik

Dubrovnik - srednjovjekovni grad-biser južne Dalmacije upisan u UNESCO-ov registar svjetske spomeničke baštine. Ovo je grad dugogodišnje turističke tradicije, spreman odgovoriti na najistančanije zahtjeve svojih posjetitelja. Grad muzeja i festivala, grad konoba i restorana, mjesto pitome mediteranske klime i prelijepih pejzaža uistinu potvrđuje slavnu izjavu irskog književnika Bernarda Shawa: "Oni koji traže raj na zemlji, moraju doći u Dubrovnik".

Dubrovnik – this medieval town, pearl of South Dalmatia, is entered into the UNESCO World Heritage List. This is a town with a long tradition in tourism, ready to meet the most sophisticated requirements of its visitors. The town of museums and festivals, taverns and restaurants, mild Mediterranean climate and beautiful scenery, it really confirms the famous saying of the writer George Bernard Shaw: "Those who seek paradise on Earth should come to Dubrovnik".
