DISCOVER YOUR INTIMATE OASIS OF EMOTIONAL WELLBEING

In 1984, the land's hidden potential for a stunning resort was discovered, with a dream to build a magical place where every villa would have unrivalled ocean and sunset views, so that guests could experience Bali's natural splendour at its most impressive. This dream is now a reality with 32 of the most spacious and well-appointed private villas in Jimbaran. Raffles Bali is the epitome of a harmonious design, carefully crafted out of respect for the richness of the site. It pays tribute to the inherent wealth of the area, reflected in the use of abundant limestone and splendid water feature which blend seamlessly with nature.

PRIVATE EXPERIENCES

Exceptional ocean views are not the only reason to stay at Raffles Bali. The resort's sprawling private beach, away from the bustle of Jimbaran Beach gives it the feeling of an oasis – a treasure to be stumbled upon by only the most fortunate and intrepid of travellers.

The Farm Terrace

Discover exotic herbs, fruits and vegetables growing in abundance at our own Farm Terrace. At a farm-style table beneath a vine-covered pergola and local trees, learn how to create authentic local recipes and infused cocktails. Farm Terrace is also the setting of a culinary journey that begins with sunset drinks and a blessing at Loloan Beach, and concludes with a multi-course al fresco feast.

The Secret Cave

Soft grains of sand shift across the stone floor beneath your feet, and plumes of sandalwood incense rise upwards towards the lichen-spotted roof. Begins with a sunset cocktail while flickering torches light the way and candle lights adorn the stone walls. Dine with the sound of traditional Balinese music while our culinary team present delectable cuisine, served alongside bespoke cocktails and fine wines.

Purnama Honeymoon Bale

A fire pit lights the path to this romantic gazebo, built on the rocks above the ink-dark water. Let the soft singing sounds of genta urag bells lead you to your table. Featuring the very best of Jimbaran's seafood bounty paired with fine white wines.

VILLAS

From each of our Pool Villas, abundant sunlight streams in through the patio doors to gleam off rich hardwood floors. The soft batik tapestry hanging behind the king bed is a tribute to the skill of Bali's local craftsmen, while rustic rattan furniture compliments sweeping views of your private garden and the ocean beyond.

The villas are situated thoughtfully, utilizing the natural terrain of the site, while being surrounded and separated by generous space filled with colorful native plants, shrubs and majestic trees.

These villas include indoor and outdoor showers in addition to an indulgent soaking tub.

TREE OF LOVE

To commemorate your special day, all weddings end with a “Tree of Love” ceremony, where you and your partner plant a tree in the resort’s gardens to symbolize your growing relationship and binding love for each other. Once you complete the most sacred vows and say “I Do”, the wedding team will escort you to the resorts Love Tree Garden & Nursery to plant one of the many local trees found within the property. Once the tree is old enough it will be relocated to a much larger area allowing the tree to bloom & flourish among the flora of Bali Island, home of Raffles Bali.

FRIENDS & FAMILY

Celebrate beyond your wedding ceremony with friends and family, the wedding team can arrange an array of exceptional experiences. Whether it’s afternoon high tea, a family barbeque on the beach or a sunset cruise on a luxury boat, there are plenty of ways to mark the occasion with your loved ones.

THE VENUE

Flourished with unrivalled private beach, pristine waterfront, Jimbaran Bay offers soft powdered, white sandy shores, to ensure the best is chosen for your special day. These shores offer spectacular views of Indian Ocean, creating inspiring locations for a beach ceremony & reception of Champagne and Canapes.
