JET  
CHARTERING  
AND  
GROUND  
HANDLING  
SERVICES

Jet Prime presents an array of FBO and aircraft aviation service solutions, featuring tailored and specialised services catering to VIPs, diplomatic missions, and crisis flights.

On your request, we also organise and fully plan the chartering of a jet to suit your needs.

Our offerings include meticulous flight planning, coordinating clearances for overflight and landing, and arranging inflight catering. Accessible 24/7, our services ensure unwavering support for your aviation needs, seven days a week.
