About the hotel

Apart hotel Larimar is a modern and cosy place for your recreation, located in a quiet area of the town of Bečići, in the municipality of Budva, away from the public road and boasting an amazing recreation area and a swimming pool, which offer a splendid view of the sea.

Adriatic coast

After just a seven-minute walk you will reach the crystal-clear, azure Adriatic Sea, with its very long sand beaches. The entrance to the sea is easy and gently sloping, and it will give you extra comfort if you are on a vacation with children.

The local embankment is a real gem in its own way – beautiful and very long. Tourists enjoy walking along the embankment and exercising in the open air. While taking a walk, visiting bars, cafés and restaurants, which offer a wide variety of food and drinks and are located on this stunning embankment, in just 40 minutes you will reach the city of Budva, Montenegro’s resort capital. Vibrant nightlife and cosy little streets of its Old Town attract guests of the Budva Riviera. Each tourist will find a suitable and affordable place where to have lunch or dinner and entertain themselves to their liking.
