# RESORT INFORMATION

## A BAY OF RARE BEAUTY

Its location in Herceg Novi, at the entrance of Boka Bay in western Montenegro, makes One&Only Portonovi the perfect base from which to explore the 300-kilometre Montenegrin coastline and its 117 blush coloured beaches.

- The resort is an easily accessible one-hour drive from Dubrovnik, with the airport served by a range of airlines; it is also well equipped to handle private jets. The resorts' private transfers are also 50 minutes' drive from Tivat Airport. Helicopter transfers will be available.
- With its enviable position in Portonovi, the resort is situated in an enclosed space for a sense of privacy.

## TIME TO PLAY, SPACE TO BE

- Resort - The year-round destination resort invites guests to take full advantage of its plentiful on-site experiences for all ages. With secluded private pools, a tennis club with two floodlit courts, KidsOnly and One Tribe for the younger guests, internal Venetian courtyards as well as access to a private beach and jetty, One&Only Portonovi is primed to become Montenegro's most covetable address.
- Water - Boka Bay with its calm, cobalt-blue inlets is renowned for the staggering superyachts, which dock along this iconic stretch of coastline. Favourably positioned at the bay's opening, the resort's private jetty and the 238-berth Portonovi Marina are ideal home ports affording yachts of all sizes direct access

to the warm and welcoming Adriatic Sea. The limestone-ridged Mediterranean coast's islands, meanwhile, make for a memorable day trip. Wherever you decide to set sail, you're in for a treat: this entire region is made for chasing sunsets.

- Land - Boka's winding roads through its black mountains entice you to get behind the wheel and explore this small, but perfectly packaged locale. With monasteries secreted within caves, mythical citadels, a startling variety of vividly coloured birds, Njegoš - the highest mausoleum in the world, the oldest olive tree on earth, and jaw-dropping sea and mountain views from each and every angle, Boka Bay is a UNESCO World Heritage Site for a reason.

## PRIVATE SPACES

- Showcasing the beauty of Montenegro's natural elements, One&Only Portonovi presents a mix of 113 guest rooms, suites and villas along with ten One&Only Private Homes. Each individual one has been designed to maximise the mesmerising views of the surrounding bay, gardens and mountains.
- A contemporary take of Venetian architecture, the striking, classic design is defined by arched windows, red-tiled roofs and geometrical columns.

## DINING FOR ALL FIVE SENSES

Inspired by the rich and fertile lands in which it is established, the resort takes guests on a vibrant culinary

journey that is as wholesome as it is flavoursome. Employing only the freshest, finest bounty from both the sea and the land, each of the restaurants' revered chefs promise to create food that nourishes the soul.

- Sabia, a refined Riviera-style restaurant overlooking the beautiful Boka Bay, serves Southern Italian cuisine with a focus on fresh, locally sourced seafood and vegetables. Offering indoor and outdoor dining, with mesmerising views of the Adriatic coastline and mountains, its menu options include a Raw bar, homemade whole-wheat pasta dishes and grilled seafood with olive oil and herbs.
- Tapasake Club, the contemporary Japanese restaurant and pool club, is set to be the pulsating heart of the resort. Embracing modern, laid-back indulgence, a cool coastal ambience affords guests a true taste of the Mediterranean.
- For local delicacies, La Veranda's extensive à la carte options champion locally-sourced ingredients and Montenegrin cooking method, with each dish telling its own story.
- Modern resident bar, Caminetti is a relaxing spot in which to mingle with friends while admiring the spectacular views over the terrace, gardens, beach and ocean. Enjoy the extensive cocktail list, world's most famous loose-leaf teas collection, as well as Mediterranean tapas, afternoon tea and French patisseries.
