

# MAMULA

Located at the entrance of the Bay of Kotor, and part of a UNESCO World Heritage Site, Mamula Island is a carefully restored 19th century fort in Montenegro. Encircled by sea and sky, with far-reaching views of crystal waters and wild scenery, the hotel has 32 rooms, a holistic spa, a beach, 3 pools, 3 restaurants and 4 bars. Everything has been designed to give guests time to think, move, make, meet, soothe, share, and dance. All so they reconnect with what they love.

## LOCATION

You can arrive at the Island by air or boat. We have a helicopter pad on the island. The custom is at Tivat Airport. Alternatively, you can arrive at the airports of Tivat (TIV), Dubrovnik (DBV), or Podgorica (TGD). Drive (or take a taxi) to our nearest shoreline to enjoy a boat across to us.
