

Six Senses Zil Pasyon, Seychelles

Félicité is a private island located 30 nautical miles (55 kilometers) northeast of Seychelles International Airport in Mahé. Multiple inner islands, including the well known Praslin and La Digue, surround it. A scenic 20-minute helicopter flight from Mahé or a 20-minute speedboat trip from Praslin Island takes you to Félicité and Six Senses Zil Pasyon, which occupies one third of the island.

Félicité is one of the most dramatically beautiful isles in the 115-island nation and features massive granite boulders and picture-perfect beaches. The resort, which occupies one-third of the island's 652 acres (264 hectares), embraces and celebrates nature while offering every creature comfort. The consistently warm tropical weather makes Seychelles an ideal year-round destination.
