LOCATIONS & DESCRIPTIONS

This idyll of granite rocks, hidden sandy bays, translucent water, it's the South of Mahé.

Camouflaged to perfection under the roof of tropical greenery, two dwellings can receive you in this quiet atmosphere, 150 meters from the beach of Anse Forbans. Each dwelling has its own architecture: one of Creole inspiration, the other neocolonial. Everyone can find their place of relaxation. The arrangement is consistent with a large family use (up to 10 people) or couples in the splendid Honey Moon suite.
