The Club

For our junior residents, The Sugar Palm Club is open daily, 9:00 to 17:00.

Drawing inspiration from the original name of Praslin - Isle des Palms - The Sugar Palm Club is a dedicated kids' club catering to toddlers, children and teenagers on the resort. Lively, educational and age appropriate activities are coordinated by our Recreation team, to ensure that the young ones can enjoy the idyllic paradise of Praslin as much as their parents do. Assigned to 3 separate themed rooms based on their age groups, the children are free to socialize, play and mingle amongst peers of similar ages.

Parents are required to accompany children to the Sugar Palm Club and register their children for the activities daily.

Kids' Ages

Children (from 4 to 12 years old)

With attentive care from our Recreation team, young kids can delight in interesting activities ranging from arts and crafts, simple baking classes, interactive reading and recital. Outdoor activities such as nature walks and historical stories, sand castle building on the beach and exciting treasure hunts will bring hours of fun for young, energetic residents.

Teenagers (from 13 to 18 years old)

Free-spirited teenagers can get to know new friends at the Palm Club, with absolute freedom to engage in great learning programs and sport activities such as hiking trails and biking tours, specially planned by our experienced Recreation team.

Babysitting

A babysitting service is available upon request, subject to availability 24 hours in advance. Reservation is required. Rps 400 per hour per child .
A transportation for the babysitter is chargeable to guest's account after midnight.
