FRIENDS & FAMILY

Celebrate beyond your wedding ceremony with friends and family, our wedding team can arrange an array of exceptional experiences. Whether it's a romantic sundowner, a family barbecue on the beach or a sunset cruise on a luxury boat, there are plenty of ways to mark the occasion with your loved ones.

THE VENUE

Flourished with unrivalled beaches, pristine waterfront, our resort beach, Anse Takamaka offers soft powdered, white sandy shores, to ensure the best is chosen for your special day. These shores offer spectacular views of the Indian Ocean & Curieuse Island which is the original home of the Coco De Mer Palm Tree, creating inspiring locations. Located in a quiet area sheltered by pines, Takamaka trees and granite boulders, Anse Takamaka is a genuine piece of heaven, it's white sand and breathtaking turquoise waters will make you dream.

LOVE TREE GARDEN

To commemorate your special day, all weddings end with a "Tree of Love" ceremony, where you and your partner plant a tree in the resort's gardens to symbolize your growing relationship and binding love for each other. Once you complete the most sacred vows and say "I Do", the wedding team will escort you to the resorts Love Tree Garden & Nursery to plant one of the many local trees found within the property. Once the tree is old enough it will be relocated to a much larger area allowing the tree to bloom & flourish among the flora and fauna of Praslin Island, home of Raffles Seychelles.

The Love Tree Garden is located nearby a fabled spot better known as "Karo Maryaz". Karo Maryaz, when translated from the local Creole, relates to "marriage spot". It's believed that lovers who propose at this site, will have a successful and lasting marriage.

THE DETAILS

Flower arrangements, wedding cake, tuxedo & wedding dress laundry services, photography, entertainment, hairdressing, make up, manicure and pedicure and any additional arrangements can easily be organised by the wedding team.

LICENSE FOR THE CEREMONY

All paperwork required to hold your ceremony will be coordinated by our team. Civil ceremonies can take place at Anse Takamaka Beach or in a location of your choosing at the resort, from Monday to Friday, and at selected times on Saturday (wedding ceremonies are also unable to be carried out on Sundays or public holidays). We can also assist you in planning a vow renewal or symbolic ceremony.

A romantic couple is captured in a tender embrace on a sandy path. The woman, on the left, wears a white sleeveless dress and holds a bouquet of flowers. The man, on the right, is dressed in a white shirt and patterned trousers. They stand amidst lush greenery, with a large, leafy tree arching over them from the right. In the background, a serene beach scene unfolds, featuring a calm sea, distant hills, and a large rock formation. The overall atmosphere is peaceful and intimate, with soft lighting suggesting a late afternoon or early evening setting.
