

# INSPIRED CELEBRATIONS

Wedding in legendary style at  
Anantara Lawana Koh Samui Resort

Marriage is one of the most important events in the life of most people. Both bride and groom give a promise of selfless sharing and should blend serenity and happiness with commitment.

A traditional Thai wedding realises this perfectly, for it is blessed with the traditions of a fascinating culture, combining colour and costume with reverence and respect. A Thai wedding, combined with their exotic, spiritual and romantic flair, is an exclusive way to experience the beauty and generosity of the culture of Thailand and its people. The beauty of our western weddings is that they are tailor-made and cater to couples wishing to celebrate their unity in a memorable manner. Couples have the freedom to express their love for one another in so many forms. Set in tropical surroundings of fragrant garlands and flowers, both ceremonies blend solemnity with informality and music with magic.
