Daima Biz Hotel – What Awaits You in Summer 2026?

In the 2026 summer season, the holiday experience at Daima Biz Hotel is being renewed. With our guest-focused Always For You concept, comfort, freedom and entertainment come together to create a more personalized and memorable stay.

New **Your Plate** Main Restaurant

The new food concept at Daima Biz redefines the traditional buffet by offering a **more transparent, flexible and conscious** dining experience.

With our fully renovated modern kitchen, guests can enjoy a rich culinary journey featuring flavors from the **seven regions of Anatolia alongside Asian cuisine, as well as dedicated sections for vegetarian, diet and children's menus.**

This concept allows guests to easily select meals according to their personal taste and dietary preferences.

For the 2026 season, the gastronomic experience is further enhanced with the addition of an **Italian A'la Carte Restaurant, a Patisserie and a Terrace Bar.** Guests staying for 6 nights or more are offered one complimentary A'la Carte dinner during their stay.

New **Mermaid** Dream Package

Within the Always For You concept, guests staying **6 nights or more can enjoy the exclusive Mermaid Dream** experience.

This unique activity allows guests to swim in the same pool with real mermaids and discover their magical underwater world. Specially designed for **families and children**, it adds unforgettable moments to the holiday experience.

Daima Biz Hotel New Team 2026

New Wave Pool

Completely renovated wave pool with a controlled and **safe system**.

Animation programs, **foam parties and special events** create a dynamic social area for both adults and teenagers.

New Slip & Sea Slide

A unique system that takes guests directly from the slide to the sea, **combining adrenaline** and refreshment.

One of the most remarkable attractions of the season.

New Jacuzzi Pool

Located in Dolusu Park, the new jacuzzi pool offers a relaxing experience with its warm water and the **soothing massage effect of water jets**.

Designed for both **adults and children**, it provides a comfortable and enjoyable environment where guests can unwind and enjoy the calming side of water.
