General Information & Rules

- In order for your pet to have a comfortable and trouble-free stay at Luxy Pet Hotel, we kindly ask you to visit your veterinarian before your trip to obtain a report card showing that it is healthy, it had a regular vaccination, parasite, flea or tick treatments and regularly used medications.
- We ask you to make sure that your mobile phone number is written on your pet's collar.
- If your pet has a different food from the food options offered by Nirvana Hotels, you should take the food with you, as well as all medicines, instructions, health documents, emergency contact information, your veterinarian's contact information and a few pet toys.
- Provide Luxy Pet Hotel with the nutrition of your dog or cat, the dosages of medicines, if any, and other important information before your arrival. We kindly ask you to send us your suggestions for solutions to behavioral problems that may arise during your absence.
- It may be a good option to leave an unwashed item of clothing with your dog or cat to relax with your scent while you are away. (Optional)
- Inform your travel agency or reservation channel about your pet's type, age, breed, nutritional requirements and please confirm that your pet has been booked at Luxy Pet Hotel.
- The Luxy Pet Hotel provides pet food brands such as Royal Canin, Proplan and etc. for cats, small breed dogs and large breed dogs. Shown brand foods are served in accordance with the food routine specified as included in the nightly accommodation fee of Luxy Pet Hotel. Please inform your reservation officer if your pet uses other dog/cat food other than the one offered by the hotel. Luxy Pet Hotel will search for the same brand of food and, if found, will be able to provide the requested food with an additional fee.
- You have the opportunity to travel with your pet on the PET ROUTEs determined in the facilities, provided that they are on a leash.
- Availability in the guest rooms of Nirvana Hotels does not mean that there is also availability in Luxy Pet Hotel. Therefore, our guests who want to come with their pets must obtain availability and confirmation for Luxy Pet Hotel through the relevant sales channel at the stage of purchasing their accommodation.

- Luxy Pet Hotel provides 24-hour-based medical veterinary CONSULTING within the scope of business partnership with legally licensed veterinary companies that are experts in their fields. Veterinary service is subject to pay according to the fee schedule determined outside the general control practices.
- Nirvana Hotels Luxy Pet Hotel reserves the right to unilaterally change the content and service details at any time.

The hotel's management does not carry any responsibility for the pet staying at the 'Luxy Pet Hotel' or with the guest if the required forms are not completed and / or sent to us at the booking stage, and the pet will not be allowed to stay in this way.

If the hotel's management discovers that a guest with their pet is using places other than those designated for staying with a pet, and, despite warnings, the guest continues to act against these rules, the hotel's management will send the necessary notifications to the agency / operator to terminate the guest's stay. In this case, the hotel has the authority to cancel the remaining reservation days without a refund..

The guest agrees in advance that he/she will comply with the rules determined from the moment of checking into the hotel with his/her pet.

For all questions and requests, you can contact Luxy Pet Hotel or our central booking and sales office.
