# PAST IS PRESENT IS FUTURE

Erth is a unique part of the enduring legacy of the late His Highness Sheikh Zayed bin Sultan Al Nahyan, the founding father of the United Arab Emirates.

In 1983, Sheikh Zayed envisioned the creation of a dedicated recreational space for officers of the UAE Armed Forces in the heart of the Abu Dhabi community. It would be located on 75 hectares of land in what was then the south-eastern edge of Abu Dhabi.

Ten years after construction began, the Armed Forces Officers Club was inaugurated on 1 December 1997 by the late His Highness Sheikh Khalifa bin Zayed Al Nahyan, who was the second president of the UAE. He served as the President of the UAE from 2004 until he passed away on 13 May 2022.

He also served as the Ruler of the emirate of Abu Dhabi during the same time.

Initially, the Officers Club was used exclusively by members of the UAE Armed Forces and their families. Then in 2003, consistent with Sheikh Zayed's vision, it also opened its doors to the public with the establishment of the Armed Forces Officers Club and Hotel.

In 2021, a new chapter is being written in the story of the Armed Forces Officers Club and Hotel with its reinvention as Erth. With a name that means legacy, Erth encompasses a flagship resort, sports club, ballroom and restaurants, along with a range of bespoke hospitality, catering and event services. With a storied past and a unique combination of world-class facilities, the Officers Club has long been one of Abu Dhabi's best kept secrets. Erth will build on that legacy and enable that secret to be shared with a wider array of discerning guests from across the UAE and around the world.

## INSPIRED BY UAE HERITAGE

From our brand mark to the quality of our services and facilities, Erth is continually inspired by aspects of our rich culture heritage. The chevron pattern is a modern interpretation of weaves found in UAE traditional handicrafts.

Erth remain committed to providing guests with unique memorable experiences whilst strengthening the property's reputation as a leader in traditional Emirati hospitality.

## STAY WITH A STORY

Upon arrival, guests are greeted by a stunning oasis of green palm tree-lined walkways leading to the Al Terhab lobby, where connective communal spaces warmly welcome you with calming natural tones. Seamlessly woven into the fresh modernity of the space, a curated collection of handmade objects showcases personal artistry and traditional Emirati crafts. Inspired by the seafaring ways of our ancestors, Al Terhab atrium is designed with a free-standing sail structure. Authentic echoes of Emirati architecture can be seen throughout the property.
