DINING

Savour the unexpected when dining at our venues, ranging from a soulful meal, a social gathering over coffee or an evening drink to our authentic Thai experience at our signature outlet 'Charm Thai'.

Crowne Plaza® Dubai Marina invites you to discover our selection of five culinary options that is suitable for every moment

LO+CALE

Serves up some of the best international cuisine – allowing guests tuck-in while overlooking the Dubai Marina waterfront.

CHARM THAI

Our Thai signature outlet, located on the ground floor of the hotel with access to the Marina promenade, serves up some of the most authentic Thai cuisine and cocktails. Featuring a private dining space with an al fresco terrace, guest is treated to an expansive view of the Dubai Marina waterfront.

CONNEXIONS

The Lobby Lounge fills with natural lighting from its ceiling-to-floor windows and has the perfect atmosphere for social gatherings over a light fare as well as a grab n' go for a quick coffee or pastry at your convenience.

HIVE

The Lobby Bar is where you dive down and relax and unwind, with calming shades in its stylish atmosphere with curated cocktails from our mixologist.

AQUA MARINA

The Pool Bar situated by the pool is set up for guest to relax and have a refreshing drink and some small bites.

IN-ROOM DINING

Whether you need your breakfast in bed or are craving at midnight, our tempting in-room dining menu is available 24 hours a day.

MEMORABLE EVENTS, SEAMLESSLY RUN

Crowne Plaza® Dubai Marina is the perfect hub for corporate meeting or social events. The Marina ballroom and meeting rooms are fully-equipped with state-of-the-art audio-visual technology. Distinctive natural daylight meeting spaces are available for meetings, cocktails, networking events, Product launches and trainings. Our Meeting Success Programme provides a dedicated Crowne Meetings point of contact and promises a two-hour response for all enquiries, offering 4952 sq. metres Of exquisite conference and meeting facilities over the second floor with high ceilings capturing the natural daylight
