Fujairah
Rotana
Resort & Spa – Al Aqah Beach

Our Pool is open until midnight again!

There's something magical about a late-night swim under the stars — and now you can enjoy it every night. Our main pool is officially open until midnight, giving you extra hours to relax, refresh, and make the most of your stay. Whether it's a peaceful solo dip or a moonlit evening with loved ones, the atmosphere is simply unforgettable.

Ignite Romance at the Spa

At Fujairah Rotana Resort & Spa, sustainability is not just a promise — it's a way of life. As part of our ongoing commitment to protecting the environment and nurturing our community, we are proud to launch the very first edition of our Green Magazine. This in-house publication brings together all our eco-initiatives, green practices, and community engagement projects in one inspiring collection. It's a reflection of our passion, our people, and our planet — and we invite every guest to be part of the journey.

Here's a glimpse of what drives us:

- Recognised with multiple sustainability certifications including Green Key and EarthCheck
- Active participation in marine conservation, protecting the coral reefs and wildlife near Snoopy Island
- Ongoing tree planting campaigns, resort-wide waste reduction, and energy-saving programmes
- Strong focus on community awareness, with staff, guests, and schoolchildren involved in eco-activities
- Promotion of eco-tourism and sustainable excursions for nature-conscious travellers

This magazine is just the beginning — our goals are ambitious, and we're only getting started.
