* invalid passport
Passport id should contain more than 5 characters with no spaces or hyphens (-)

Welcome to Tanzania

We are glad that you have chosen to travel to Tanzania. For your safety and the well-being of those around you, please be informed that it is mandatory to complete the Public Health Surveillance Form online within 24 hours before arrival. You can start by searching your passport on the field above and complete the travellers form. Children traveling with a guardian/parent, will also need to complete their own form

KINDLY NOTE THE FOLLOWING

1. Insert Correct Passport Number
2. Write correct email to access your COVID-19 RAPID TEST results.
3. Print your profile after filling the traveller surveillance form and present it to the health desk upon arrival
