

## Continuing our Island story.. Reopening Update for 1 August 2026

Dear Valued Partner,

Warm greetings from Oaga Art Resort Maldives.

On behalf of our ownership and leadership team, we would like to extend our sincere gratitude for the trust, support, and partnership you have shown Oaga over the years. Your belief in what we are building has been an important part of our journey, and we remain deeply appreciative of the role you continue to play in our story.

As we continue to shape the next chapter of Oaga Art Resort, we are pleased to share that Oaga Art Resort Maldives will reopen from **1 August 2026**.

This reopening date has been carefully considered to ensure that every aspect of the current development phase is completed with the level of care, quality, and attention to detail that our guests and partners have come to expect from us. Since opening our doors in 2022, Oaga has continuously evolved, refining both our product and experience, and this next phase is an important step in that ongoing journey.

When we reopen on 1 August 2026, the resort will welcome guests with **50 beach and garden villas**, including the newly introduced **Haruge Beach Pool Suite 2 Bedroom with Private Pool**. This addition reflects our continued commitment to expanding our accommodation offering while creating more meaningful experiences for families, groups, and travellers seeking a deeper connection with island life.

The wider development journey continues to progress steadily and with clear direction. Our teams remain focused on creating a stronger, more refined Oaga experience while preserving the creativity, warmth, and sense of place that define our island.

For all bookings from 1 August 2026 onwards, our reservations, sales, and commercial teams remain available to assist with confirmations, availability, rates, and any related enquiries. We are committed to ensuring a smooth and transparent transition as we prepare to welcome guests back to the island.

For reservations currently held during July 2026, our team will be reaching out to you separately with dedicated support and suitable options. Each booking will be handled with care and consideration, with a focus on ensuring the best possible outcome for both our guests and our valued partners.

This next chapter is more than an expansion of facilities. It is a continued investment in the experience, character, and long-term vision of Oaga Art Resort. We are excited about what lies ahead and confident that these enhancements will strengthen the appeal of the resort while creating even more memorable stays for your guests.

Thank you once again for your continued support, patience, and partnership. We look forward to welcoming your guests from 1 August 2026 and to continuing this journey together as Oaga grows, evolves, and welcomes new stories to its shores.

**Hih'gaimu dhuvahakah edhen!**
